

Polkadex - Disclaimer and Legal Notice

Introduction

This notice provides you with information about the risks associated with the services provided by Polkadex Inc (hereinafter “**Polkadex**”) on the platform called “Polkadex Orderbook”. The use of the platform has its distinct risks. This notice provides a general description of the risks that you must consider when using the platform provided by Polkadex.

Please note that this notice does not explain all of the risks or how such risks relate to your personal circumstances. It is important for you to fully understand the risks involved before making a decision to engage in transactions on Polkadex Orderbook. You are responsible for evaluating your financial situations as well as other relevant aspects which affect your risk tolerance.

Definitions

All terms used in this notice, which are defined in the [Terms of Use](#), shall have the same meaning and as in the Terms of Use.

Use of the platform

You are required to use Polkadex Orderbook only if you comply with the Terms of Use, as well as any applicable laws in your local jurisdiction. Polkadex Inc, as the operator of the Polkadex Orderbook Platform, shall not be liable for any damages caused by you as a result of unlawful use of the Orderbook platform.

Polkadex has no control over your assets. Polkadex is merely providing a platform which you can use to carry out transactions with your assets.

Please note that you are not allowed to use Polkadex Orderbook in case the laws of any of the jurisdictions listed on the official webpage of the Financial Action Task Force, available [here](#), are applicable to you.

Legal

Every user who is using the Polkadex Orderbook must abide by local laws.

As a user of the Orderbook, you acknowledge and declare that your funds come from legitimate sources and they do not originate from illegal activities.

Amendments in legal acts, as well as opinions by supervisory authorities may materially affect the value of digital assets. This risk is unpredictable and may vary from market to market. It is your responsibility to familiarise yourself with the laws and regulations from market to market, to make informed business decisions on the platform. Please note that the obligation to trade is on the trader, not on Polkadex.

No personal advice

Polkadex does not provide personal advice in relation to the products and/or services offered by Polkadex.

No communication or information provided to you by Polkadex is intended as, or shall be considered or construed as, investment advice, financial advice, trading advice, or any other sort of advice. You are solely responsible for determining whether any transaction is appropriate for you according to your financial circumstances and risk tolerance.

Polkadex does not act as a broker, intermediary, agent, or advisor and has no fiduciary relationship or obligation to you in connection with any trades or other decisions or activities undertaken by you using Polkadex Orderbook. Polkadex does not monitor whether your use of Polkadex Orderbook is consistent with your financial goals and objectives. It is up to you to assess whether your financial resources are adequate for your financial activity with us, and to your risk appetite in the products and services you use.

No information communicated by Polkadex on the platform shall constitute as tax, regulatory or legal advice.

Volatility

The trading of digital assets is subject to a high market risk and price volatility. Changes in value may be significant and may occur rapidly and without warning. You may not get back the amount you had invested. In addition, fluctuations in currency exchange may impact your transactions.

Liquidity risk

Digital assets may have limited liquidity which may make it difficult or impossible for you to sell or exit a position when you wish to do so. This may occur at any time, including at times of rapid price movements.

Availability Risk

Polkadex does not guarantee that the Orderbook will be available at any particular time. The functioning of the Orderbook is subject to errors due to unplanned service outages or network congestion. Therefore, it may not be possible for you to buy, sell, store, transfer, send or receive digital assets when you wish to do so.

Third Party Risk

Please note that third parties, such as payment service providers or KYC partners may be involved in the provision of the services on the Orderbook platform. Please note that you may be subject to the terms and conditions which have been drafted and enforced by these third parties. Note that Polkadex has no power over the terms and conditions which are enforced by third parties.
